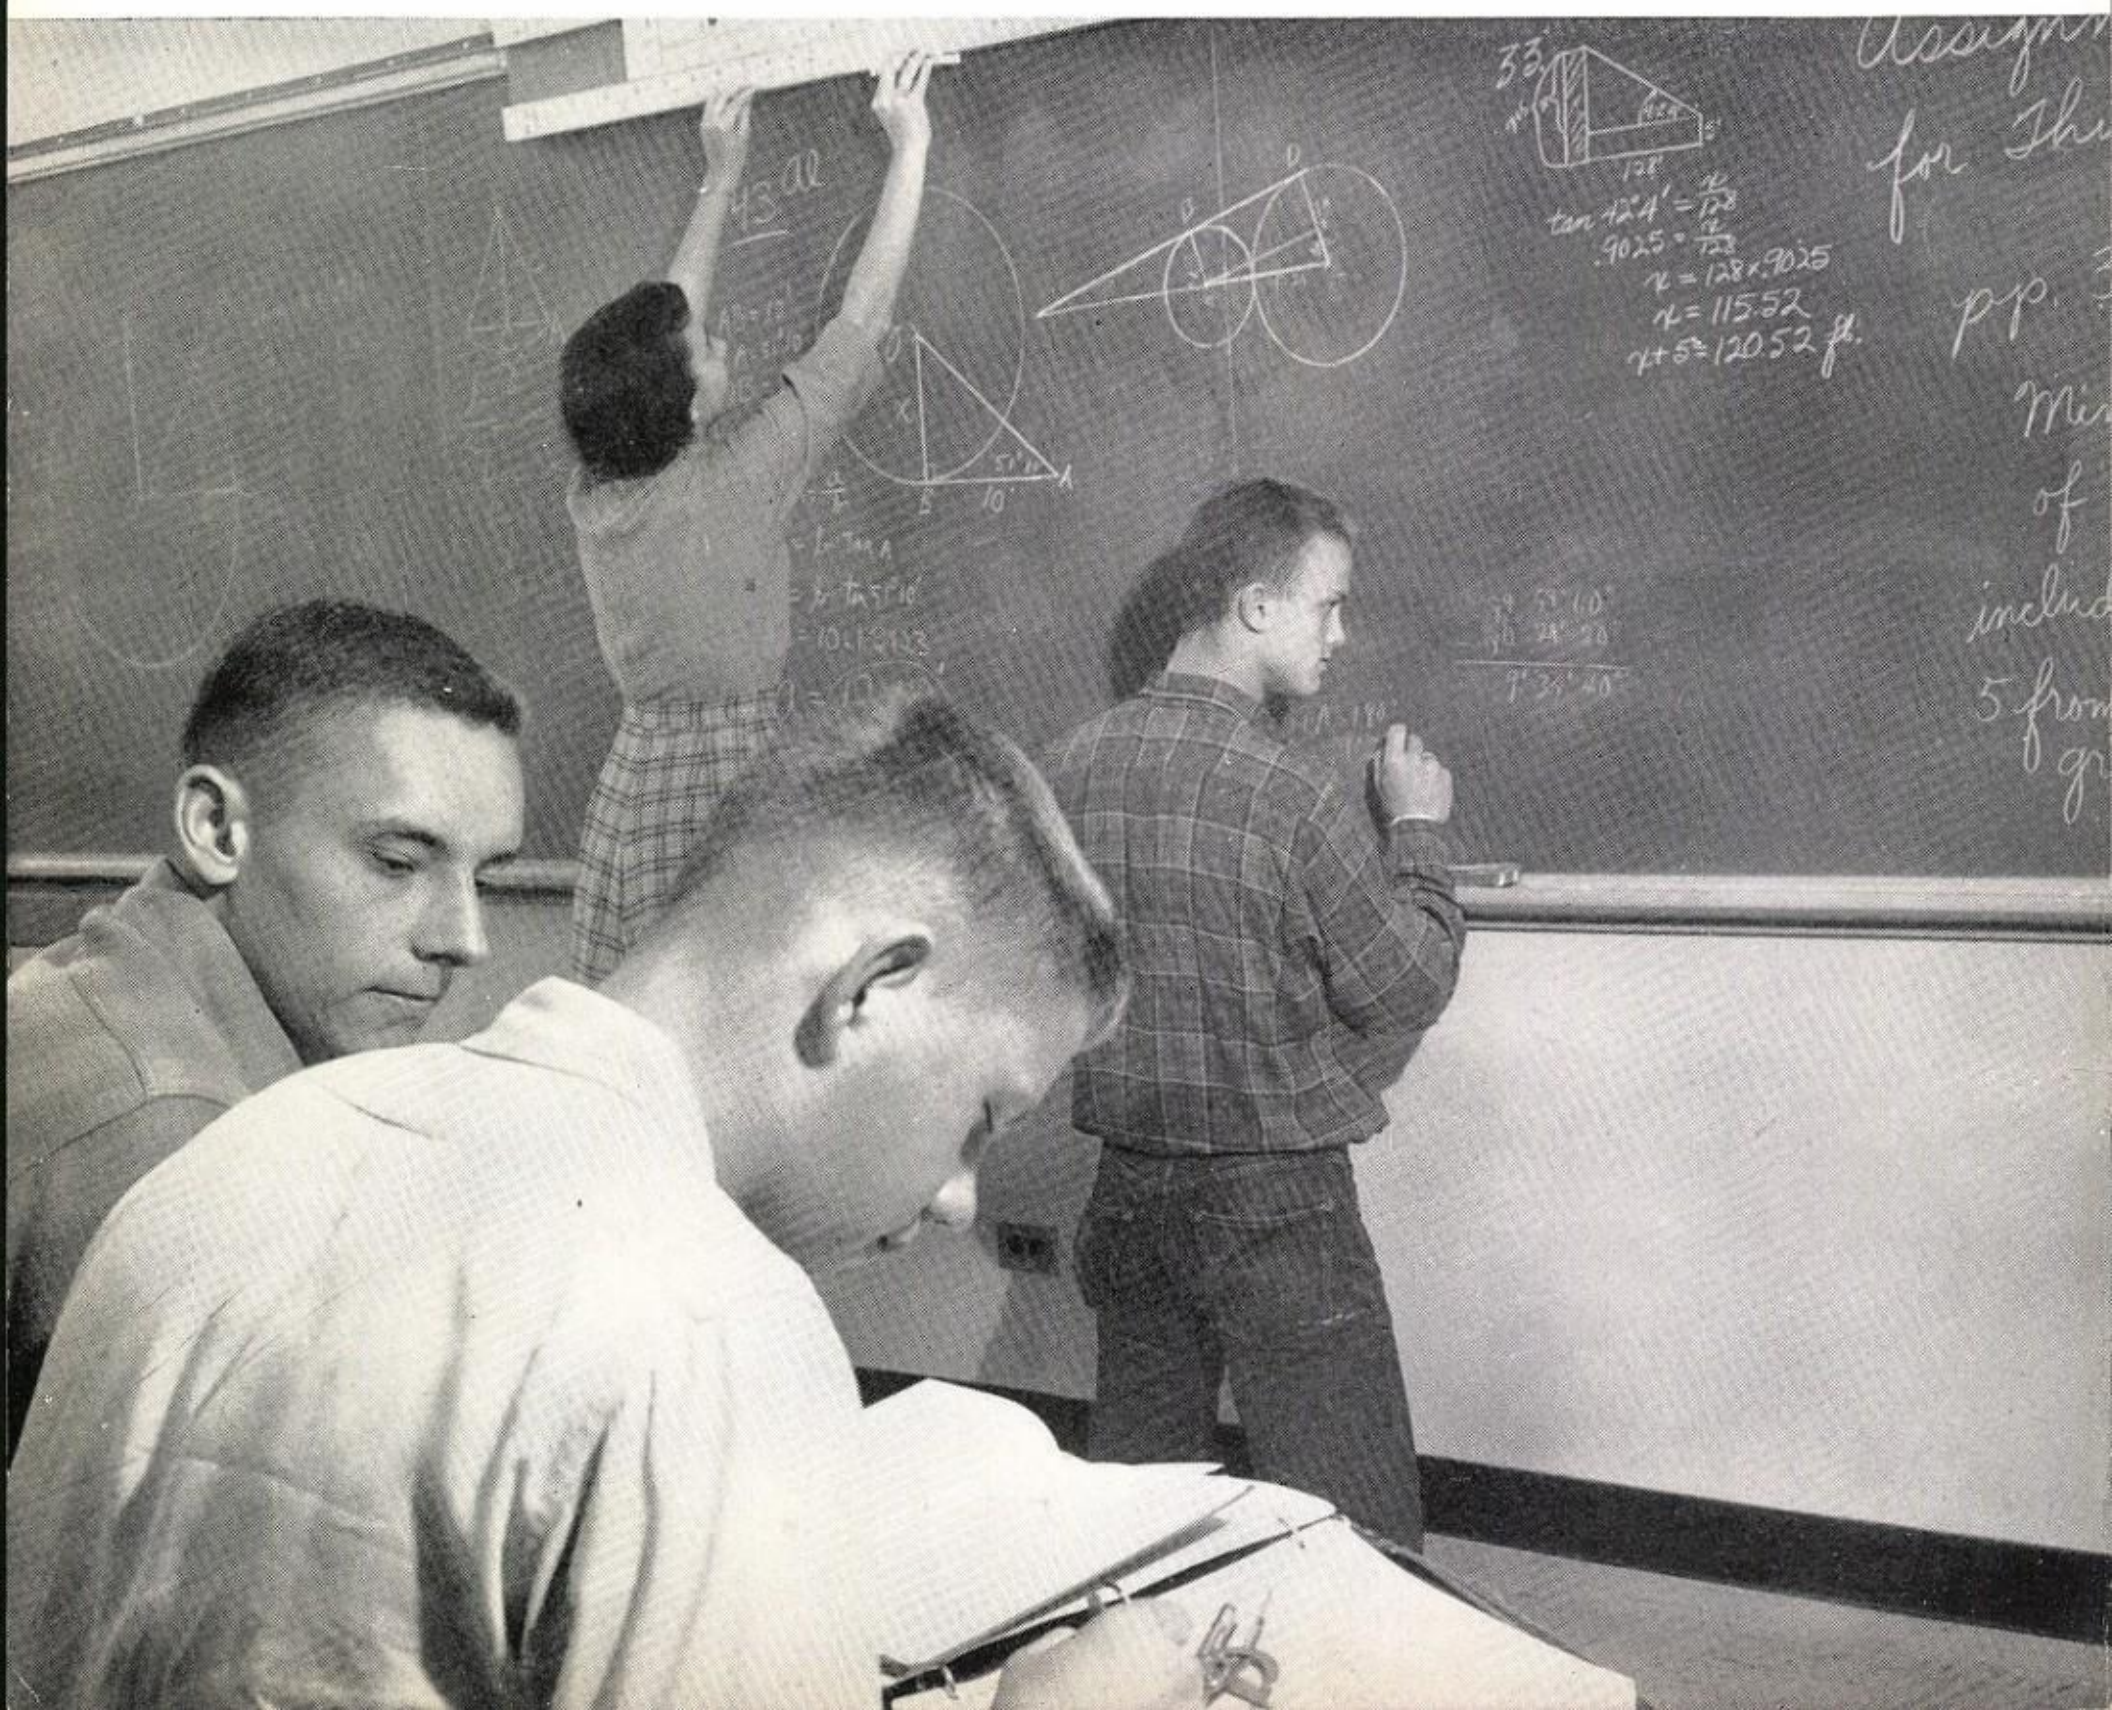
As we stepped into the halls

and classrooms of HTHS this year, we felt much more at home

than we had in 1950, our first year in the new building.

For one thing, we knew our way around.



A year ago, everything had been new

and perplexing to us, but now we felt confident.
Coming back to school this year was like coming home
to a place that we knew and loved.

In the library, in the classroom,

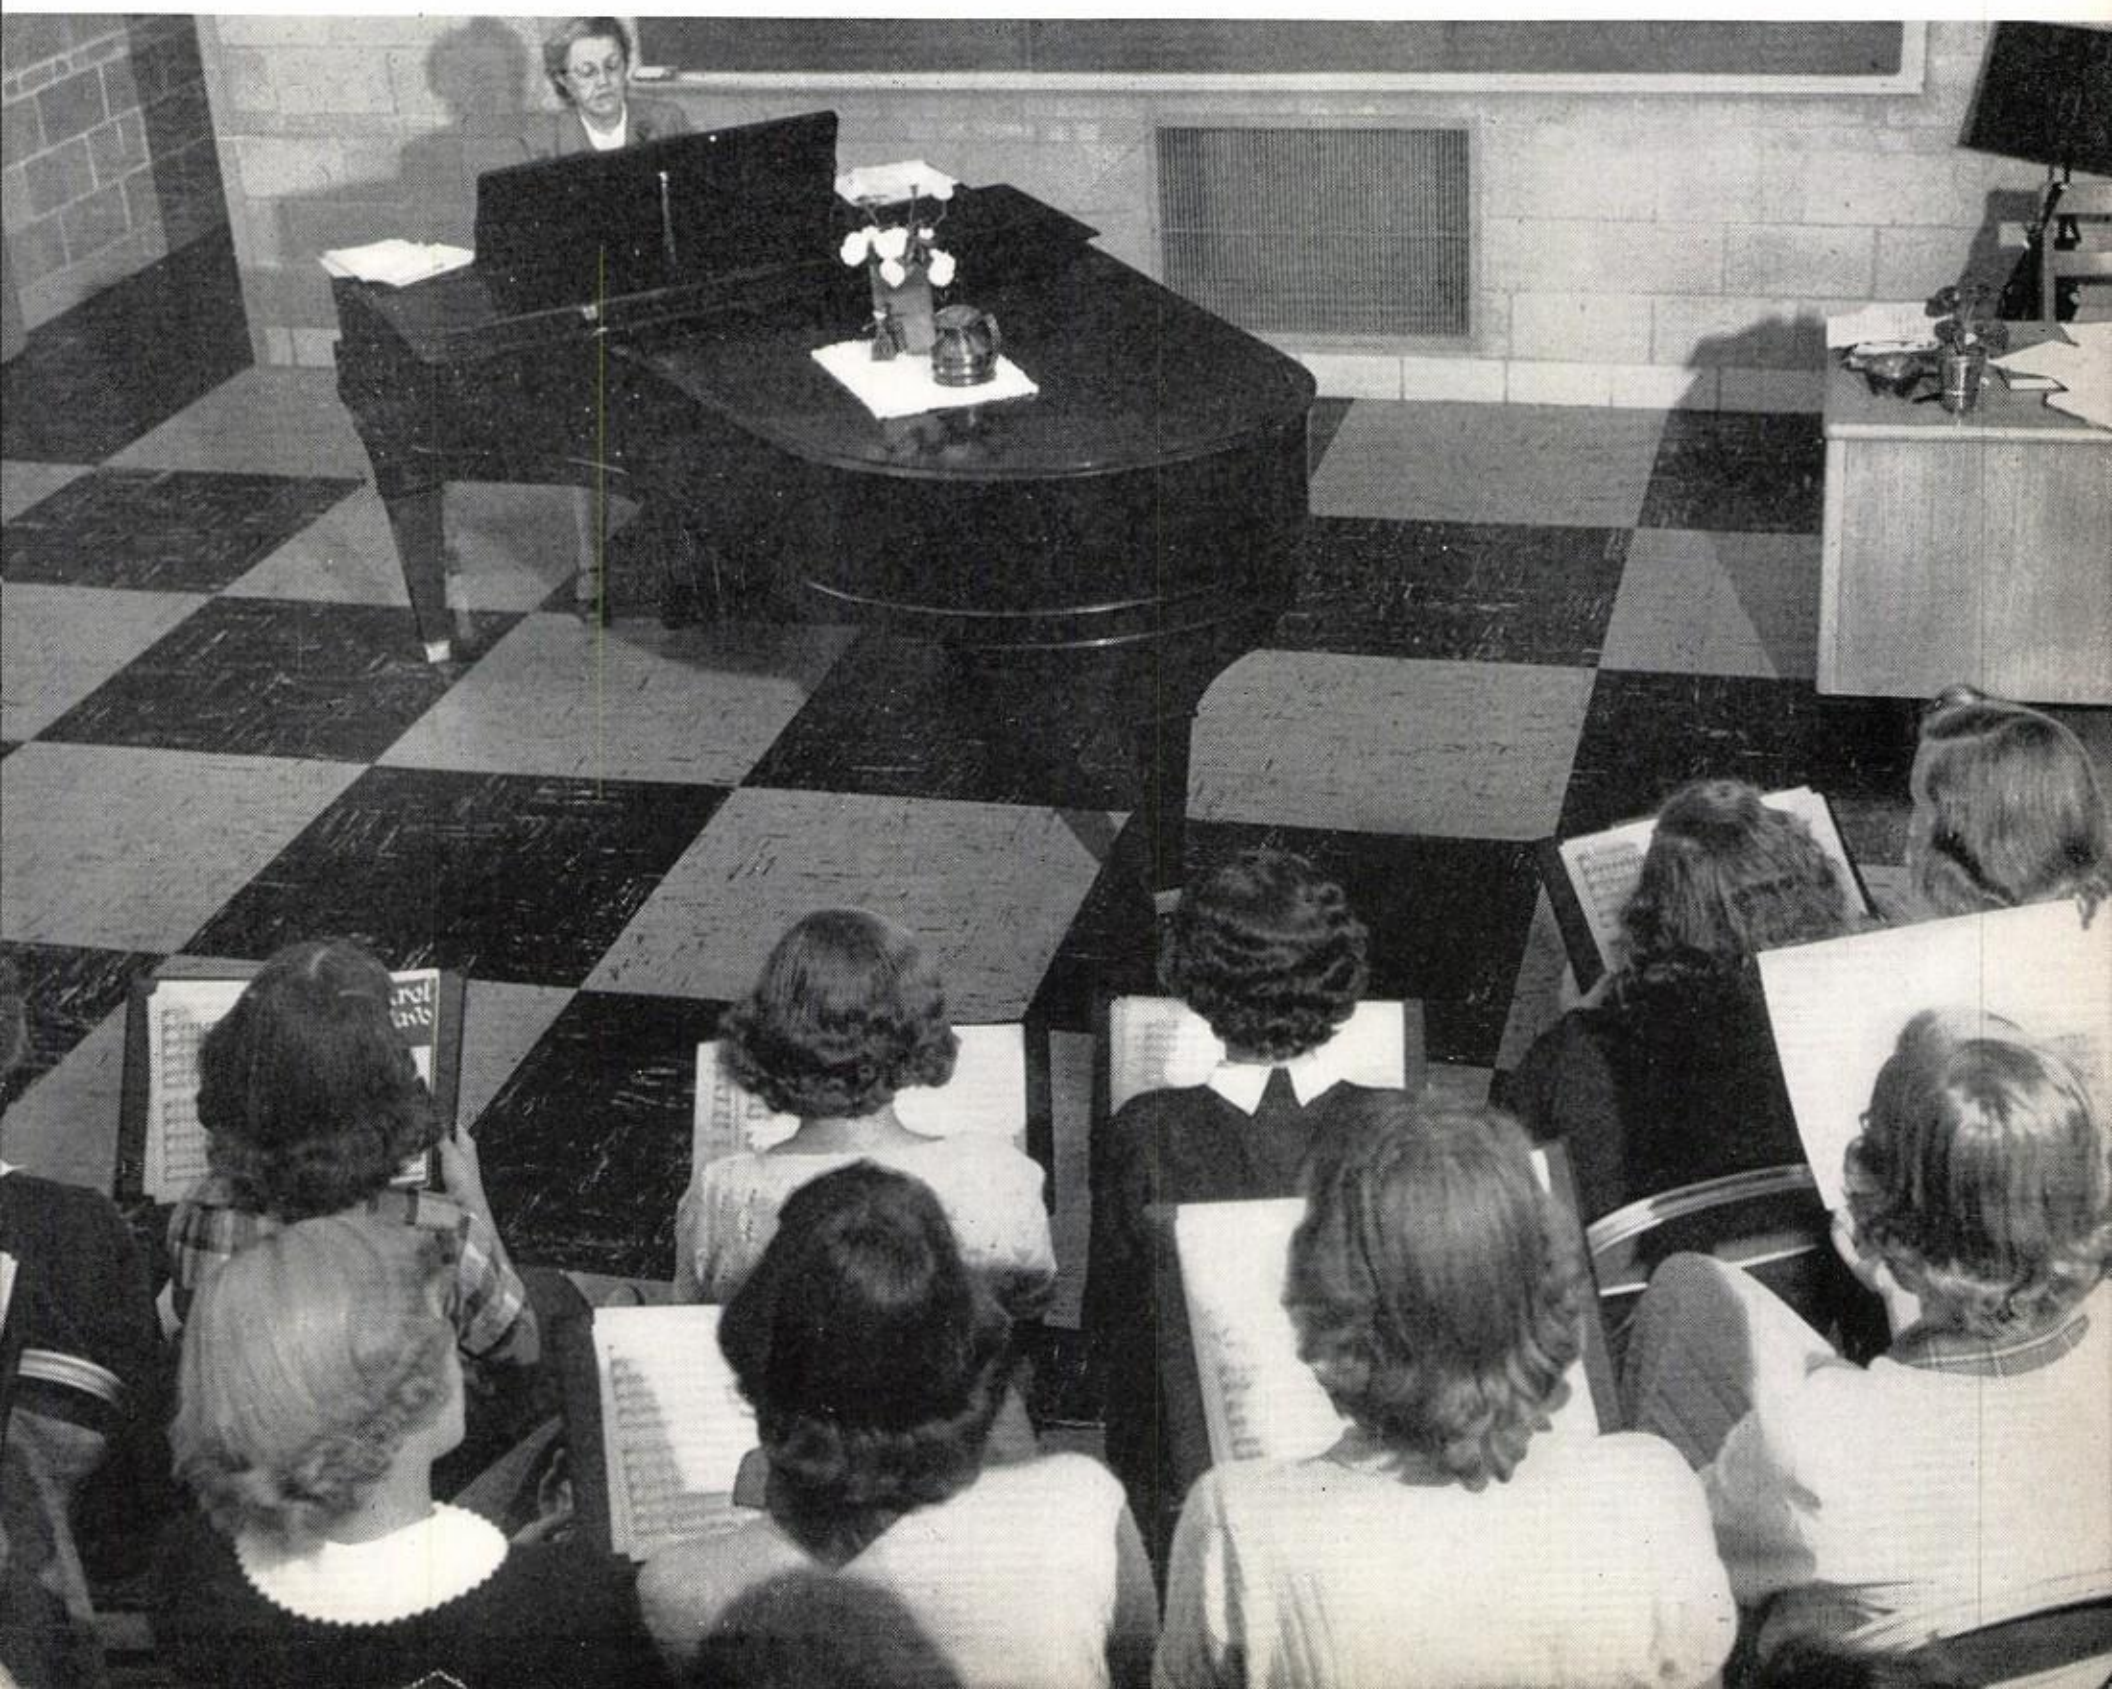
on the athletic field, in the audience,
we Hinsdale students found work to do among
our friends in familiar surroundings.

There was singing and shouting,

studying and invigorating athletic activities

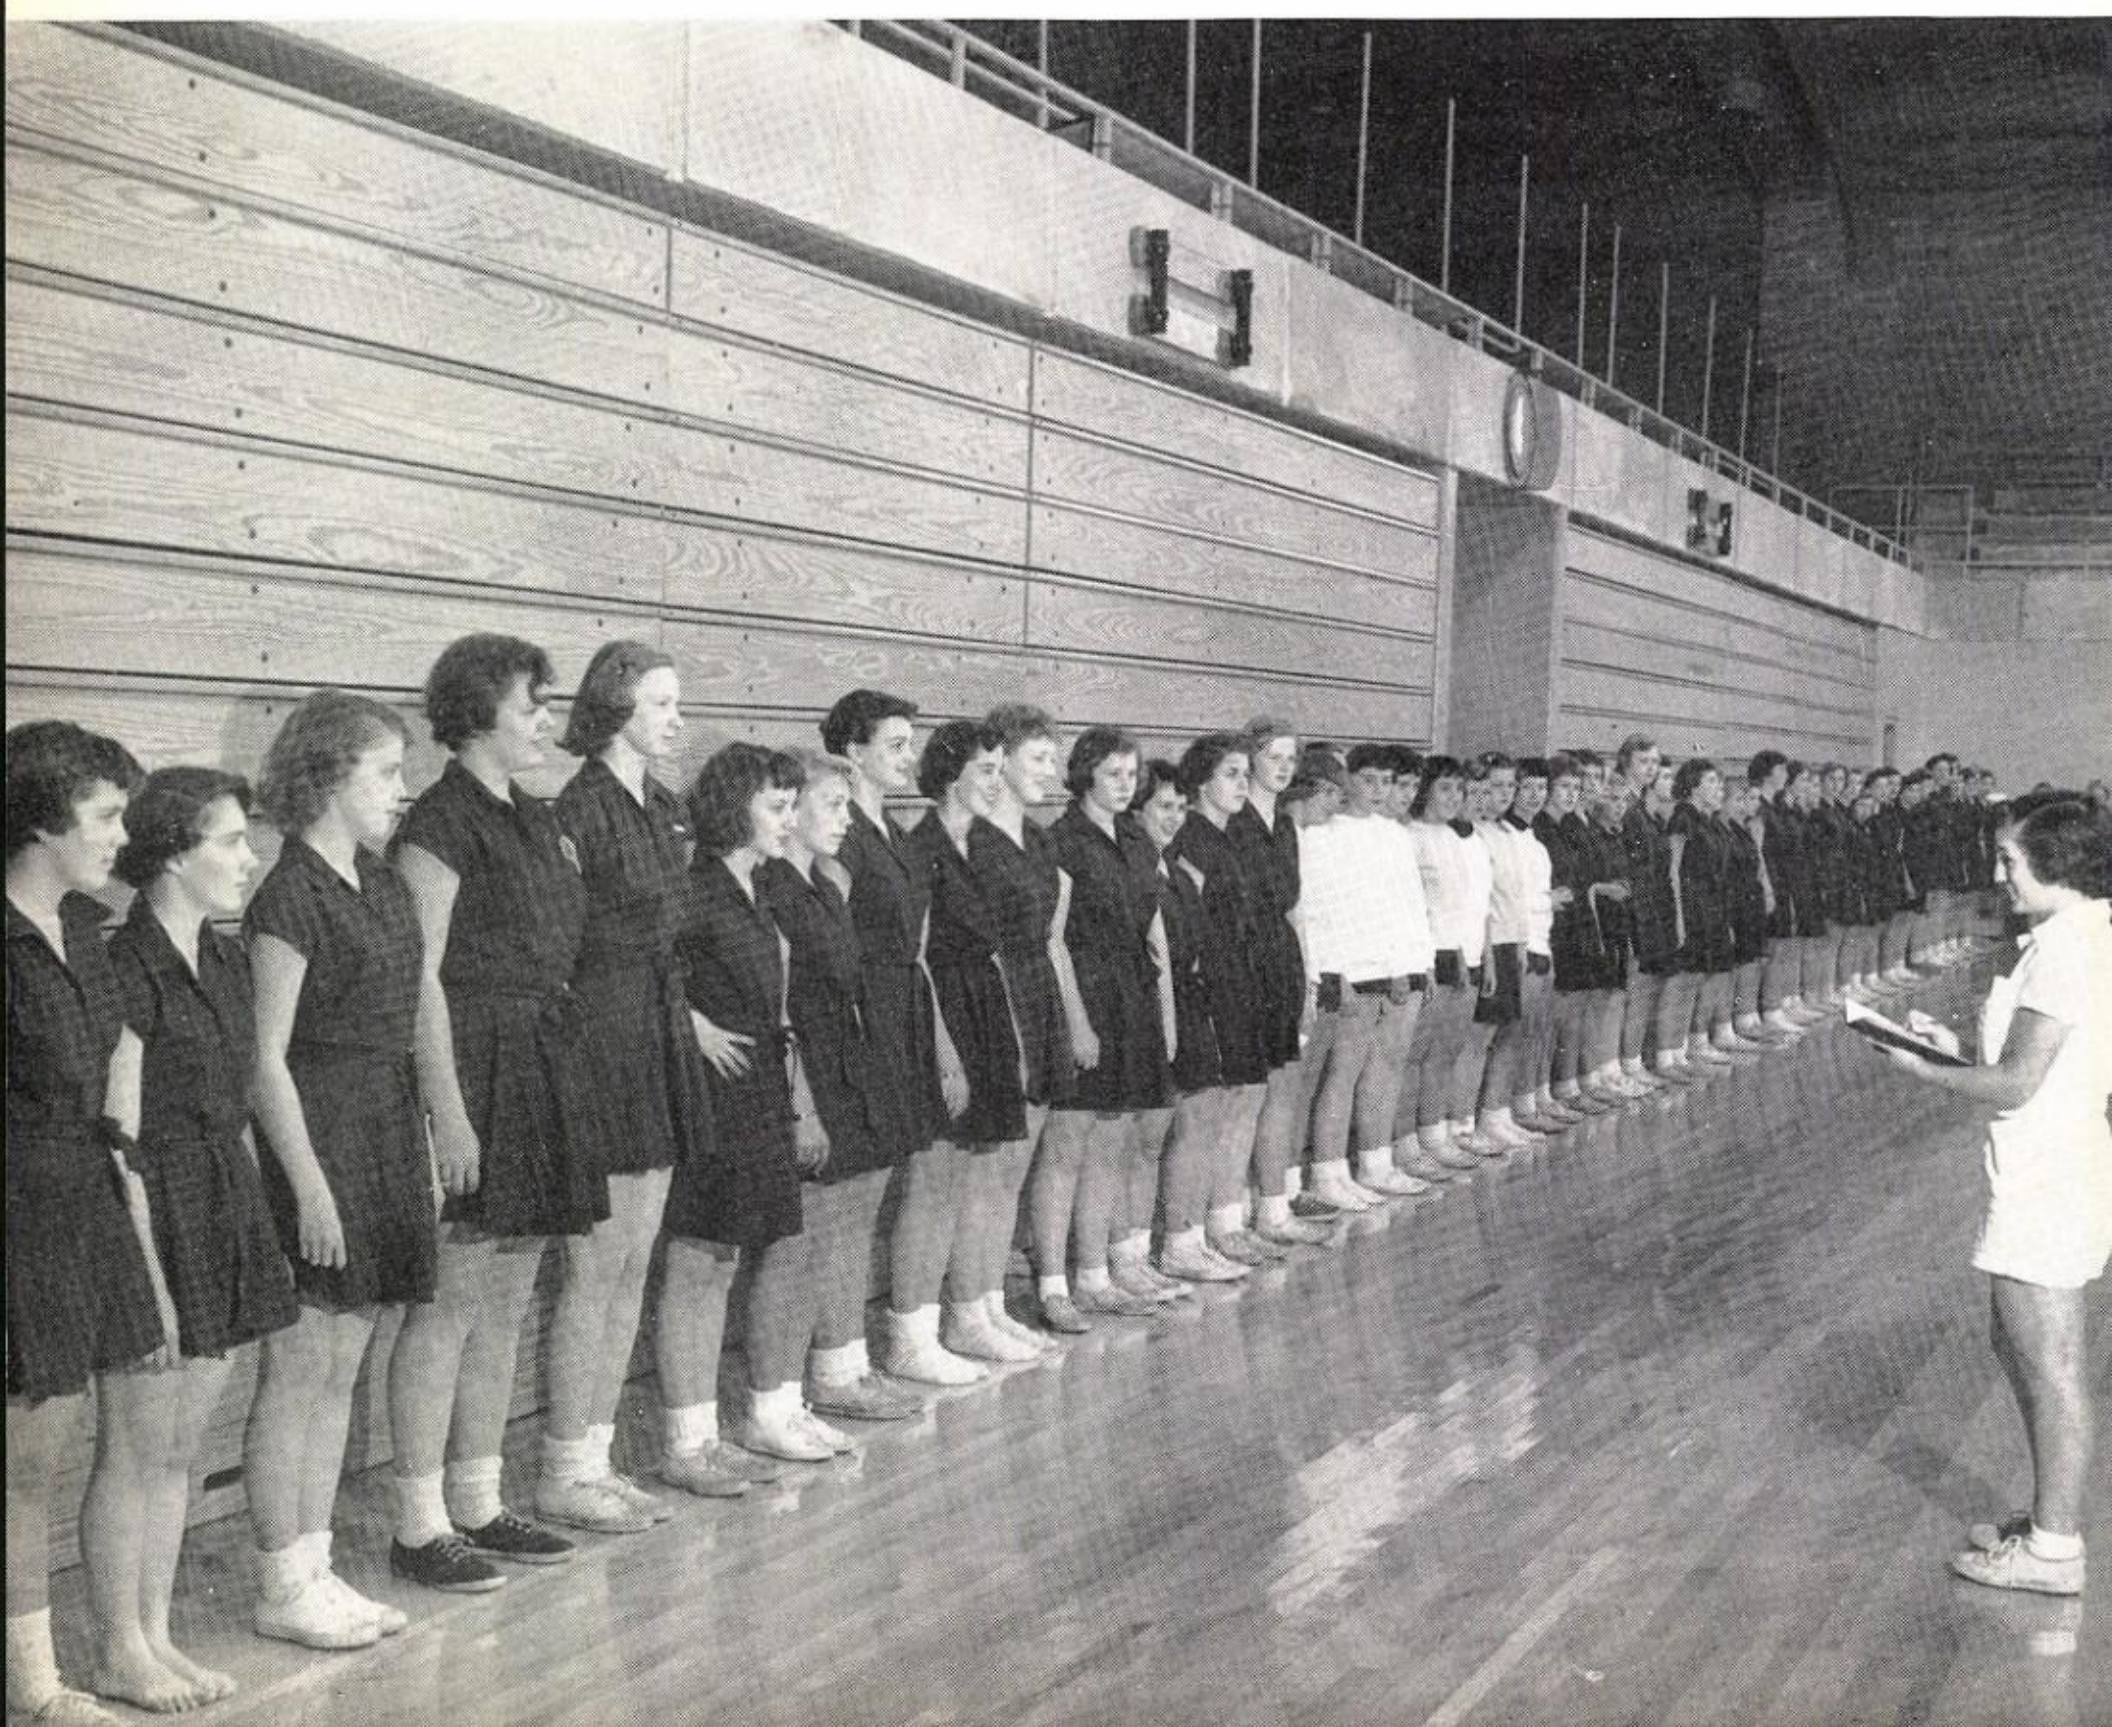
to keep us occupied as we developed loyalty and school spirit

and lived democratically many memorable days.



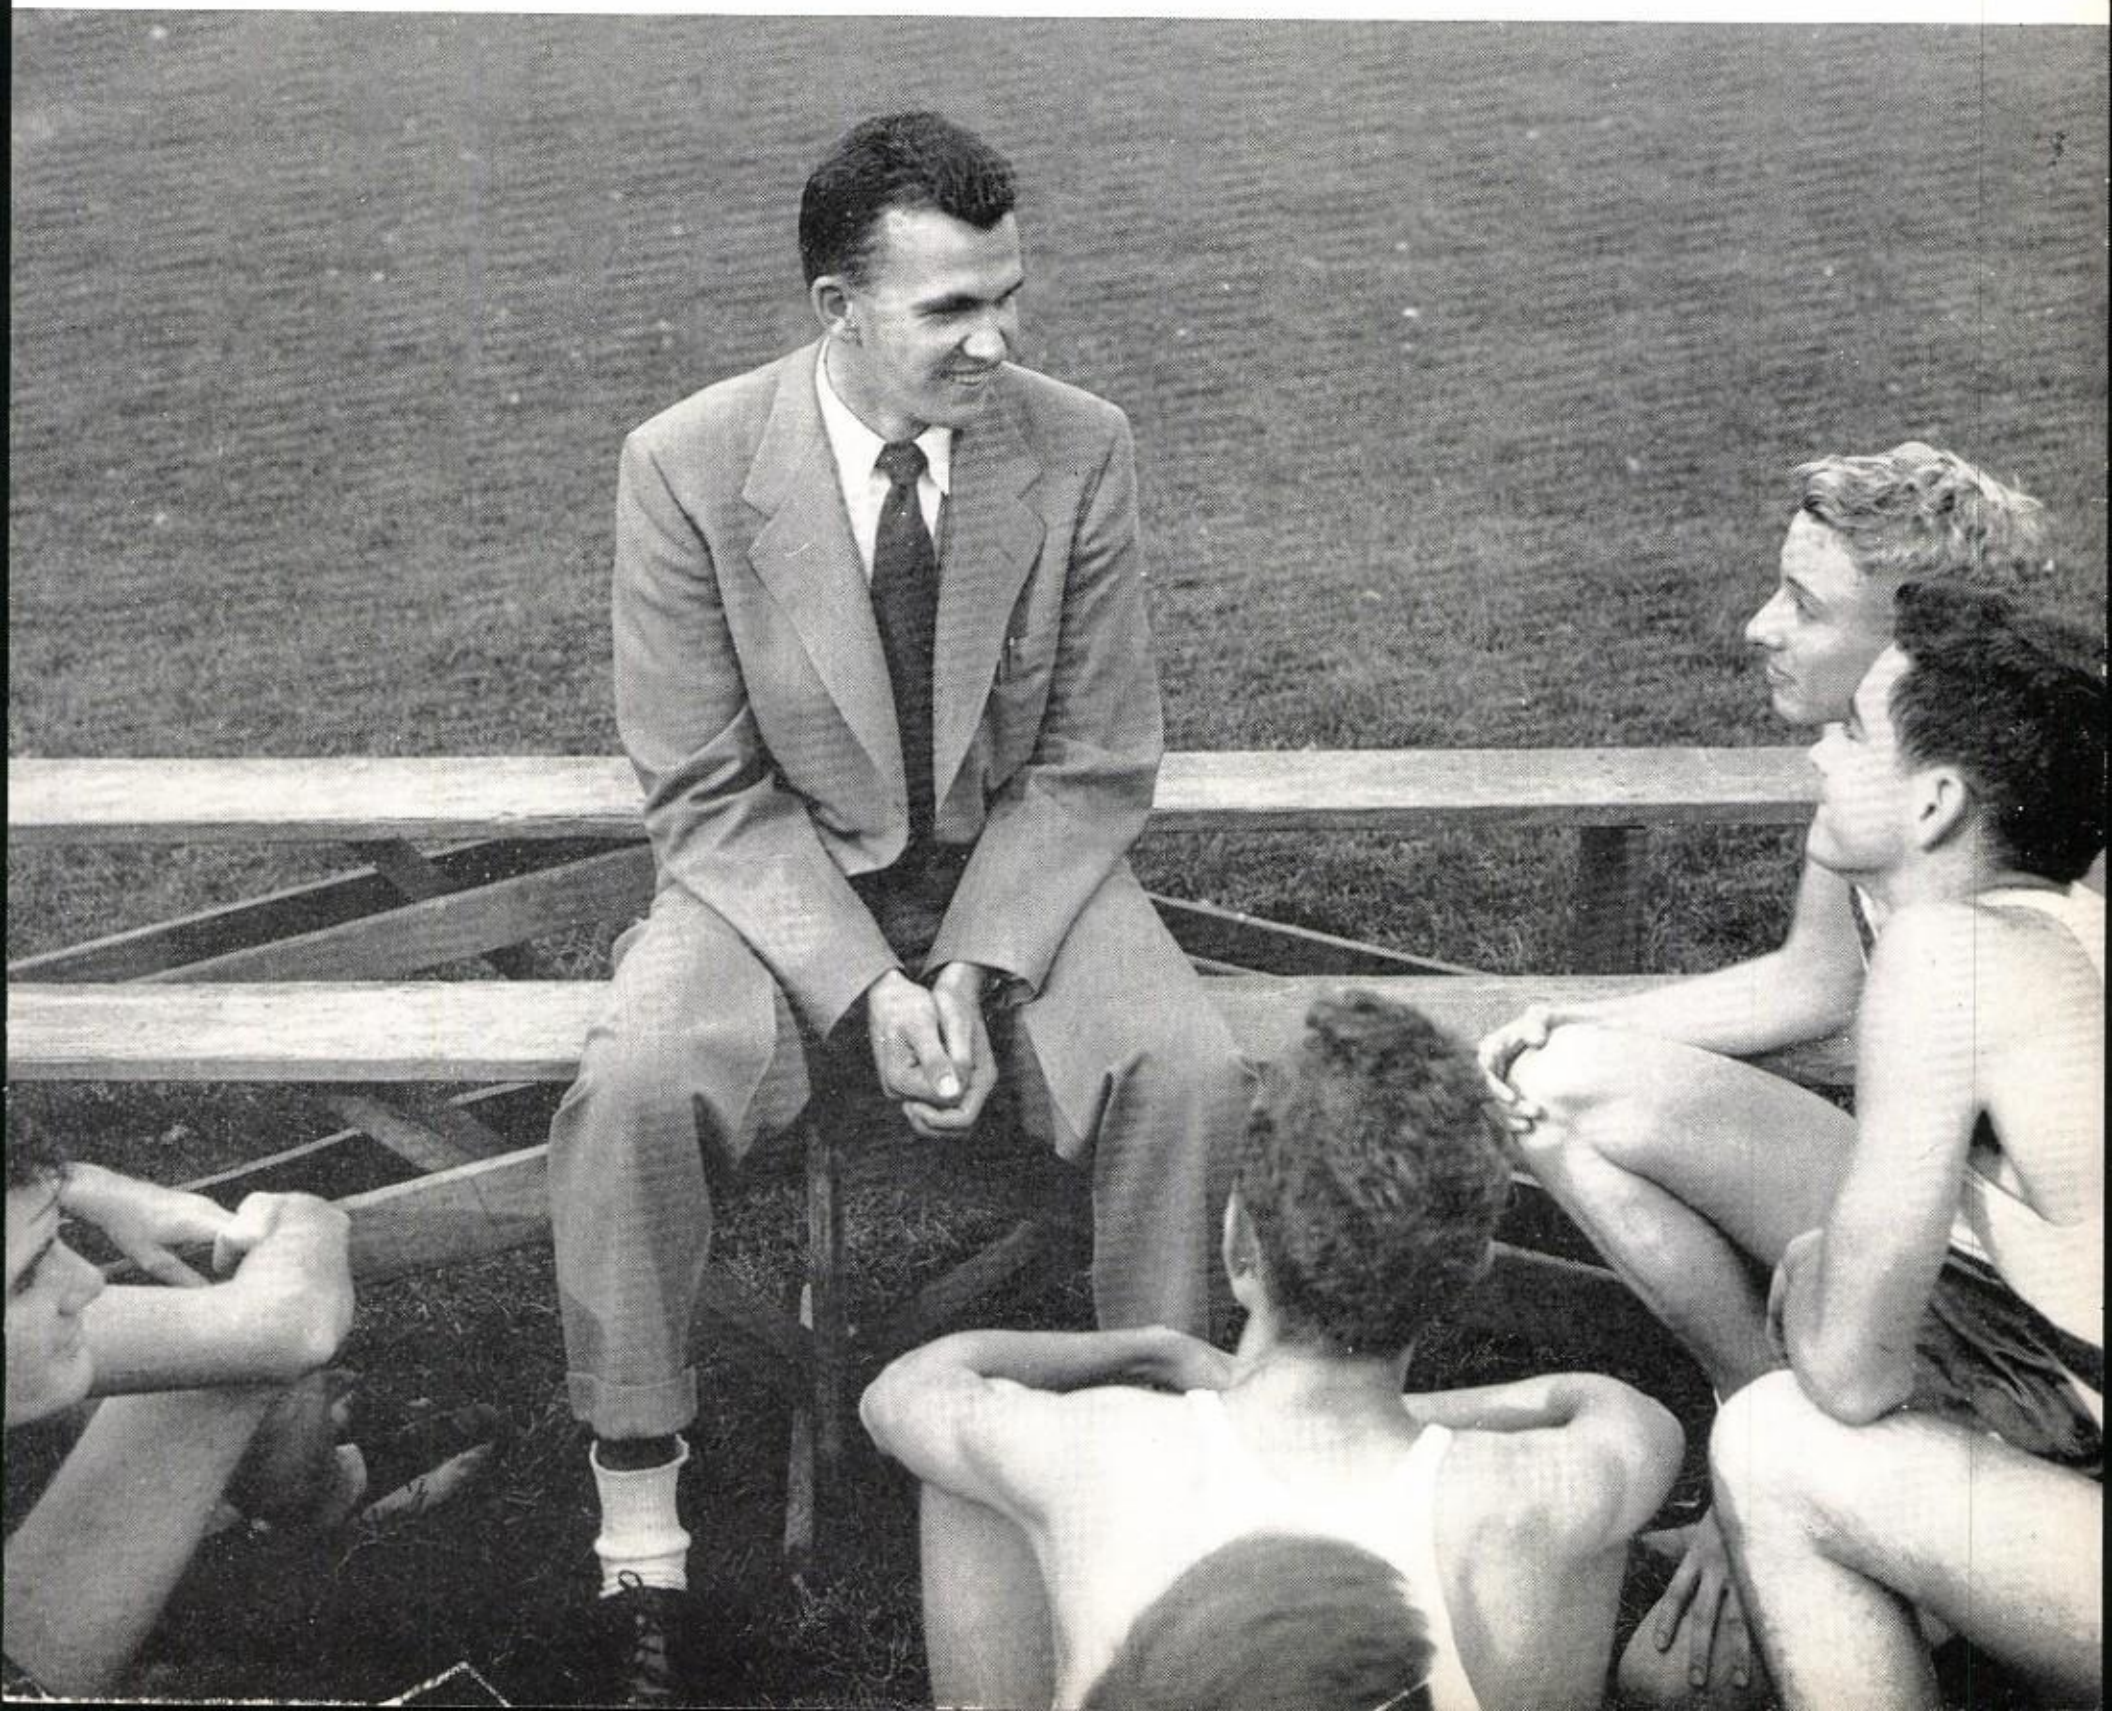
We came to realize more and more

that another reason for our affection for our new building is the fact that Hinsdale is now a school well-known over all of Illinois. Our new gym played a major part in our fame, for here was played the 1951 Regional Basketball Tournament.



By our playing fields, and more

particularly in our gym were congregated the large number of Hinsdale rooters necessary to generate the championship spirit among our students to make ours a championship school. Our thrilling wins over La Grange and Morton and many other victories finally took us "Down State" to be part of the "Sweet Sixteen."

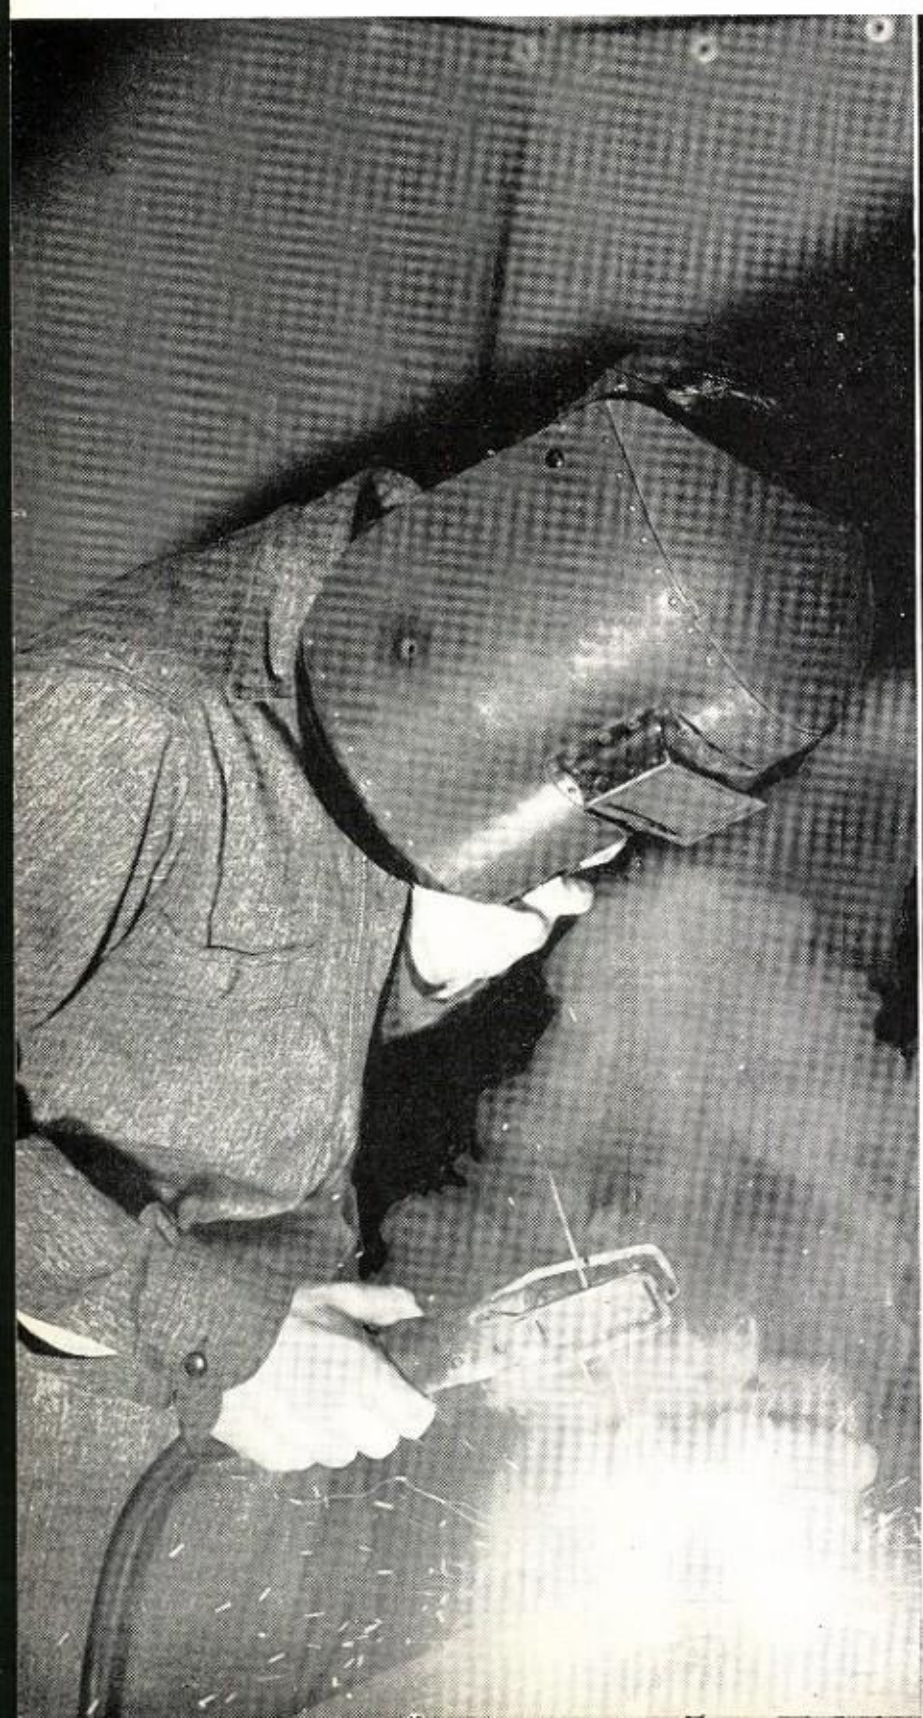


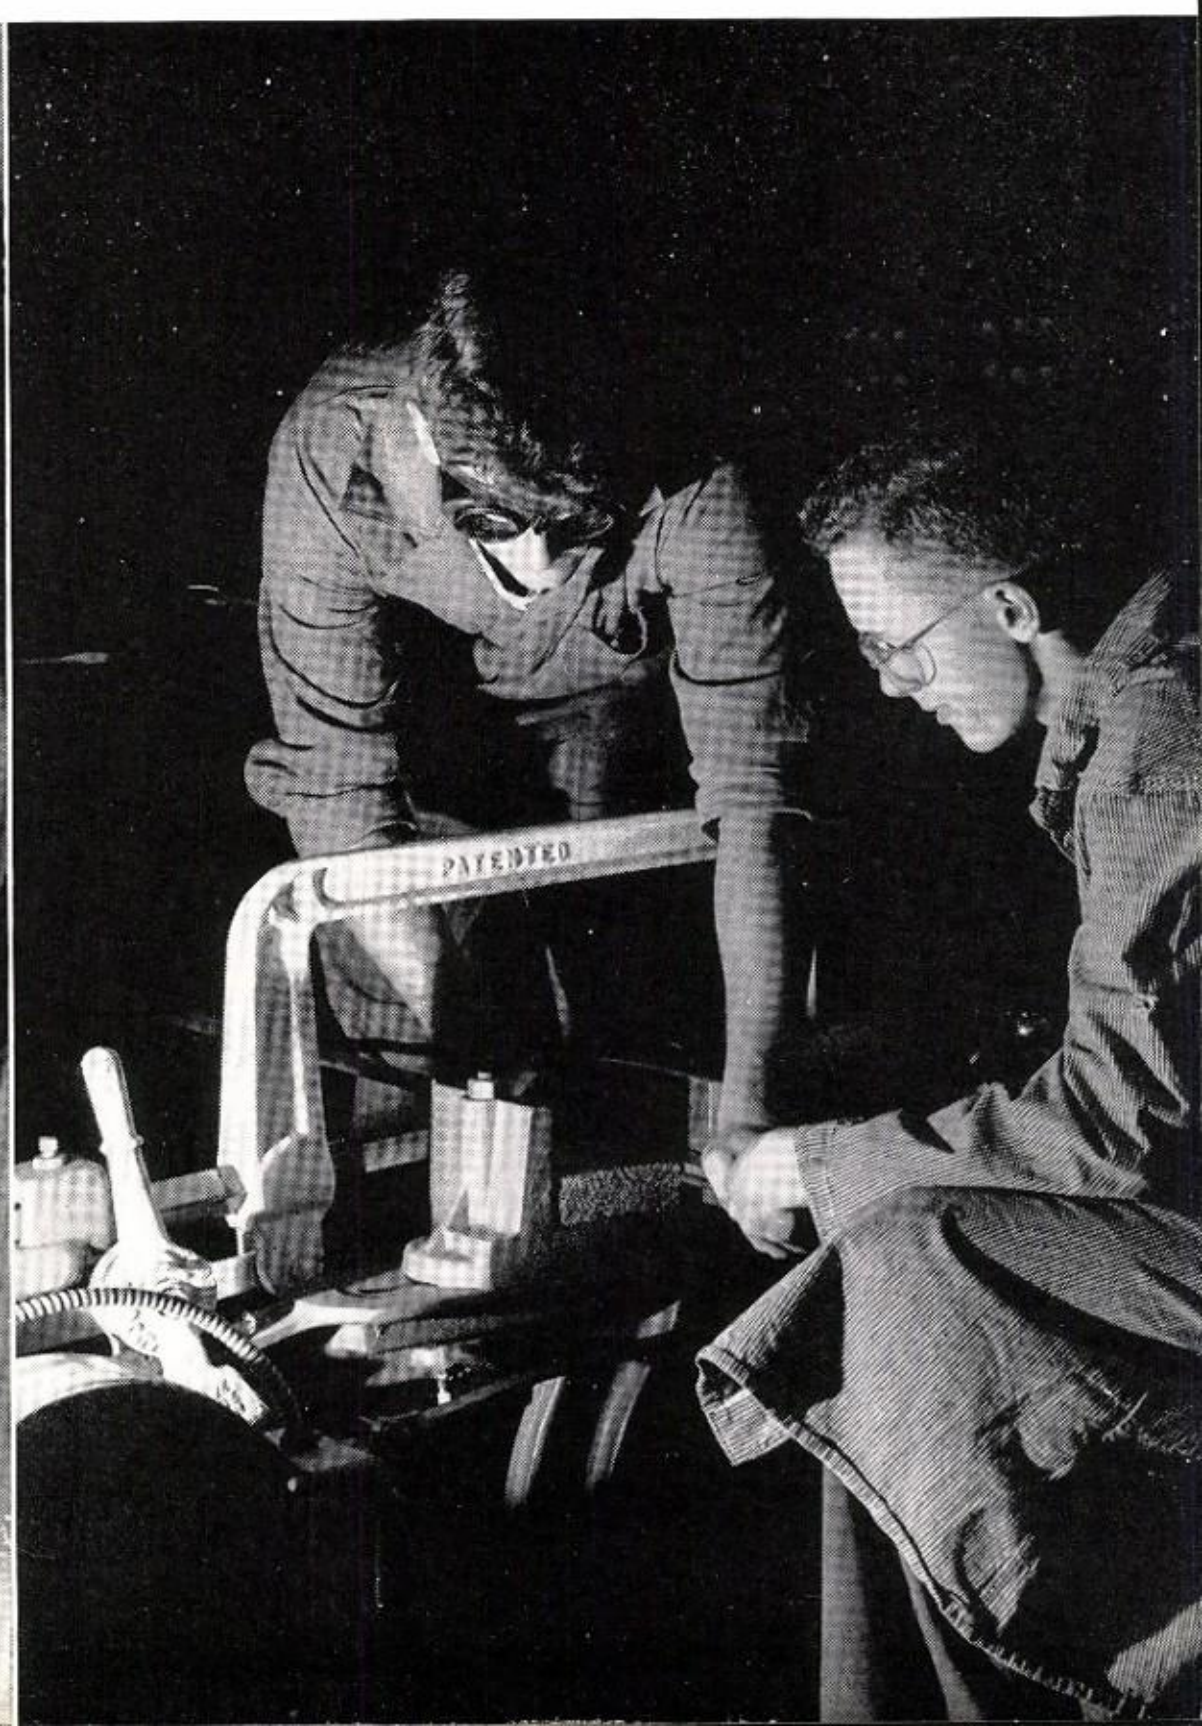
Now, when we hear everyone praising

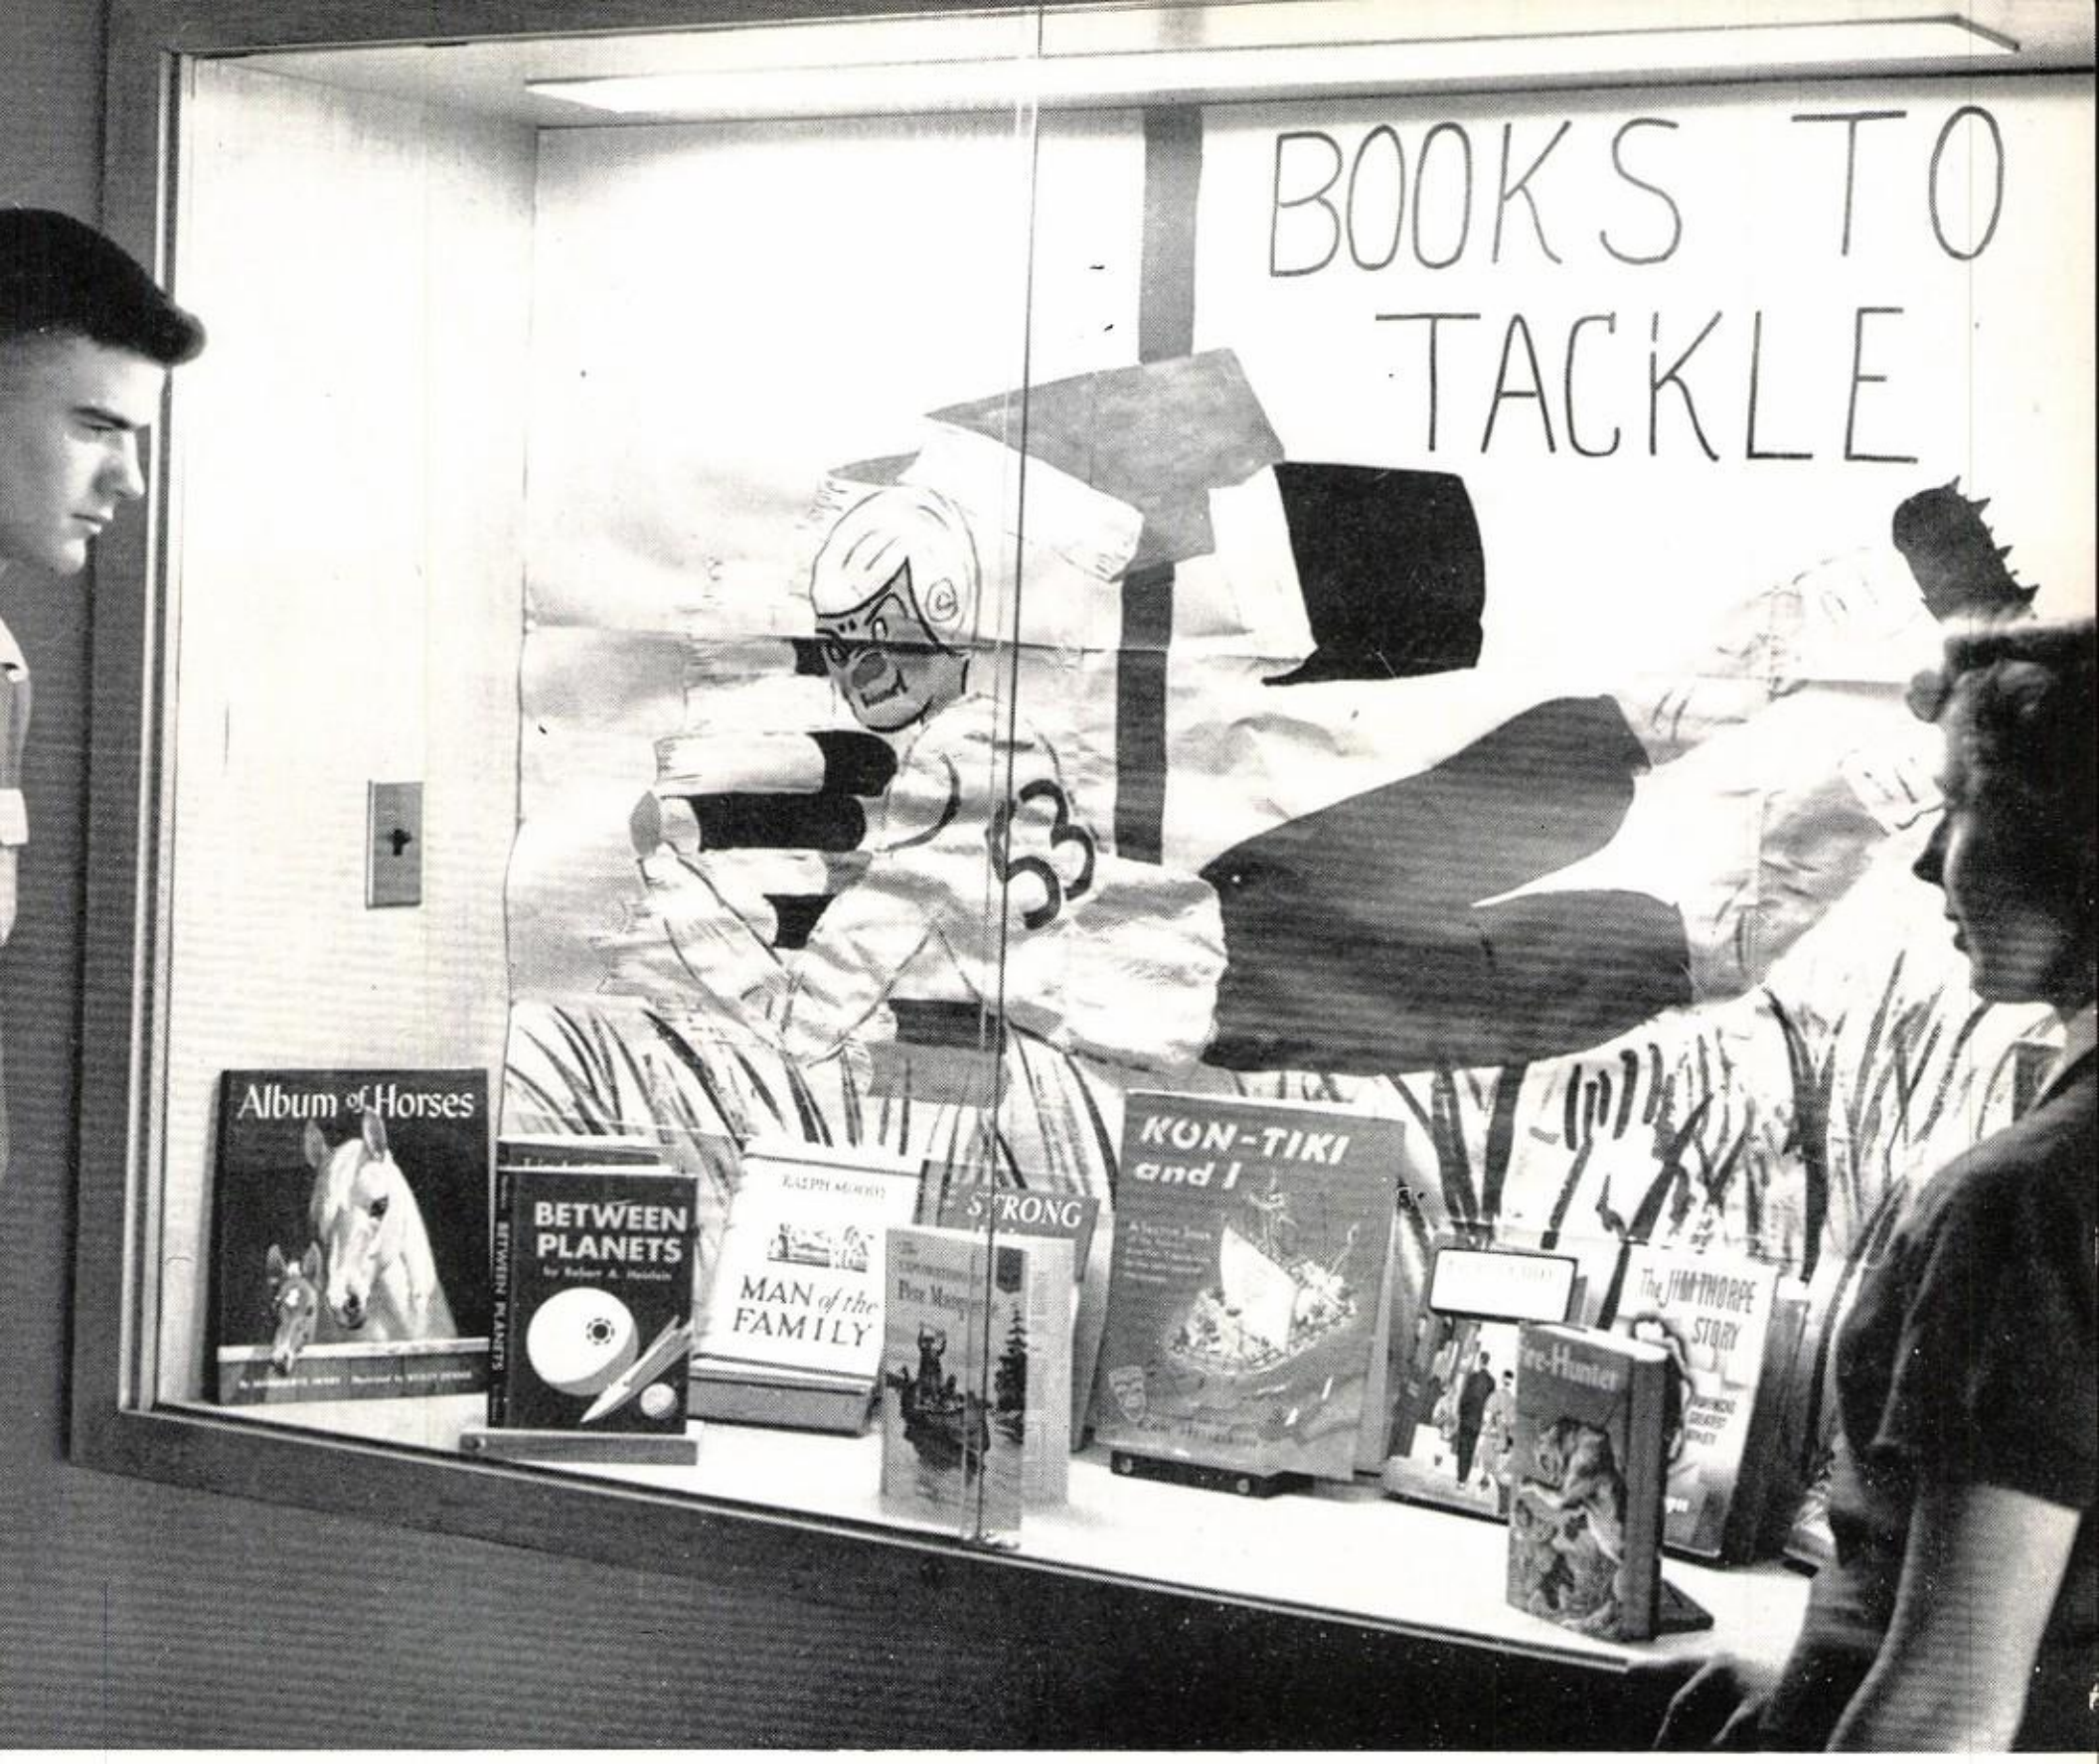
the new HTHS, its building, its gym, its faculty,

its classes, and its spirit, we are all proud to be able to say,

"That's Our School!"







Student Life

Student Council Board

Backbone of the extra-curricular activities of HTHS and the democratic organization of the school, the Student Council completed many varied as well as new projects this year. The Board added four new members as a result of an amendment to the Constitution voted upon and passed by a very large majority of the student body. This Board is now composed of the annually elected officers, the four class presidents, and the three-to-five members-at-large. The Board presents ideas and plans to the General Assembly, composed of a representative from each Home Room who discusses plans and ideas in turn in each Home Room where additional suggestions may be made and returned to the General Assembly.

On the unforgettable date of November 17, HTHS was the host for the Northeast-Northwest District Student Council Convention during which time many panels and problem discussions were held. Luncheon and a general meeting were a part of the day's well planned activities. HT's own Fred Borsch was elected president of the NE-NW District of Student Councils for the coming year.

Other Council projects have been books for the Sanitarium Children's libraries, the T-B Bangle Sale, Community Chest, two All-School Mixers, the March of Dimes, the *Wizard of Oz*, Marionette Show, student social hours, and a monitor system.

Through Student Council the student body gained many new privileges. Its officers have been: Phil Heinecke, president; Fred Borsch, vice-president; Beth Addoms, secretary; and Barbara Brown, treasurer. Miss Helen Hadish and Mrs. Florence Gillette were the sponsors.

Their year starts with the Big-Little Sister program and the Freshman teas followed by the Induction Service and Thanksgiving Assembly. One of the biggest social events of the year, the Christmas Formal, is held during the Christmas season. The activity program is rounded out by the Easter Assembly and the annual Bazaar and Style Show in the spring. At the close of the year GR awards scholarships to some deserving senior girls. This year's officers were: Janet Bercher, president; Joyce Crossan, vice-president; Annette Hasbrook, secretary; and Jane Christensen, treasurer. Sponsors were: Miss Jane Reimbeild, Miss Virginia Warne, and Miss Phyllis Schreckenberg.

One of the busiest clubs in our high school has been the Pep Club because of its sponsorship of the Homecoming Dance, its participation with GAA and GR in the Three-In-One Banquet, the selling of food at all home football and basketball games, the giving of a spring dance, and its services at the sports banquets. The goal of the club is to promote good sportsmanship.

The Pep Club is responsible for organized cheering at all the games as each member urges the team to victory. Sponsor is Miss Gertrude Finnegan. Officers have been: Gay Dehr, president; Mary Ellen Hoepner, vice-president; Barbara Holmberg, secretary; Mary Ruth Bugler, treasurer, and Marilyn Clarke, Food Chairman.

With their "bright looking" new uniforms, the cheer leaders have done much to boost Hinsdale's spirit at games this year. They have also served the purpose of developing and keeping an attitude of good sportsmanship toward the other schools of the conference.

Pat Newsome deserves recognition for doing a fine job as head cheer leader as do all the others.

El Diablo

Under the leadership of Bill Bennethum, editor, and Jackie Mavity, his assistant, the yearbook staff worked hard to bring HTHS students the 1952 EL DIABLO. This year the publication was financed mostly by student subscriptions. To pay for color printing and the addition of a block of eight pages, the staff sold pep pins, class rings, and underclass pictures.

The following students served as editors or managers of this year's publication: Tom Braun, activities and organizations editor; Tom Reynolds, sports editor; Richard Low, photography manager; Elizabeth Marshall, business manager; Charles Erbon, managing editor; Mary Jane Welch, photography editor; Annette Hasbrook, art editor; Betty Bromage and George Fullerton, senior writeups, and Fil Dowling, school and class editor. Miss Naidene Goy was sponsor. Pictures in this book are the work of All-State Photo Company, who took the underclass pictures, and Gibson Studios, who supplied the senior, faculty, and group pictures. Leander Company handled the printing, engraving and binding contract.

Besides the staff members pictured above, much help was contributed by more than 160 other students, among whom the following should be cited for outstanding work: Sharon Young, Janet Elder, Patty Pridmore, Polly Bratten, John Walraven, Barbara Bennethum, Joyce Henderson, Susan Woods, Mary Harrington, Nancy Frederickson, and members of Mrs. Naomi Lindon's secretarial typing class, who prepared the senior writeups and assisted the photographers with file cards for senior and faculty photographs.

Sequins . . .

This year's *Sequins* staff spent many afternoons in choosing only the best student writings for publication in the 1951-52 student creative writing project. The contents of the volume includes voluntary contributions as well as selected writing from the English classes. Liz Marshall has been the able editor and Martin Gross has served as Publicity Chairman. Miss Jane Reimbold is the faculty adviser of this publication.

Library Assistants and Latin Club

The Latin Club is composed of every student in the Latin classes. The main purpose of this club is to put on the annual Roman Banquet and to send representatives to the Latin Contest. This year the officers have been: Fred Borsch, president; Judy Warren, vice-president; Joan Winkler, secretary; Jean Fischer, treasurer, and Alicia Tarrant, social chairman. Sponsor was Mrs. Ruth Osborne.

Miss Jean Nelson, librarian, has a group of helpful student library assistants who aid her in keeping the library running smoothly. These responsible students thus have an opportunity to gain experience in library work. Through their valued duties which ranges from desk work to assistance with cataloging and processing new books it is possible for Miss Nelson to devote more time to the instruction of students in the efficient use of the library and to assisting more students with difficult reference problems.

During past meetings, guest speakers have informed the members of different phases of the business world. One of the club's fortnightly meetings was combined with the Career Girls Board presentation of a vocational interest meeting for senior girls. Speakers came from the Argonne National Laboratory and the Katharine Gibbs Business School. One of the speakers was a former Hinsdale High student. During the remainder of the year, prominent persons from the business world spoke to the club about specialization in varied fields of business. The annual Christmas party was a memorable event with refreshments and a gift exchange as high lights of the program.

A slide and strip film projector was added to the visual aids department this year and has benefitted a great many classes.

Career Girls . . . Spanish Club

The Career Girls' Club is now in its second year at HT. The purpose of this club is to select speakers from different fields to speak to the senior girls on their chosen careers. Girls thus receive much useful information about various occupations. Composed only of seniors, the club has a completely new personnel each year under the sponsorship of senior girls' counselor, Miss Barbara Miller. The members of the Board plan the activities of the organization throughout the year.

Sponsored by Mrs. Florence Gillette, Spanish Club is composed of second and third year students. Officers are: Janet Wilson, president; Clarissa Schroeder, vice-president, and Sarah Witt, secretary-treasurer. An annual Christmas party is a leading social event. Outside speakers add to regular meetings. Some of the students have taken trips to Chicago to foreign language settlements and learned more about Spanish-speaking people. Many of the members are looking forward to a trip to Mexico this summer.

They assist Mr. Ray McAllister in instructing underclassmen in industrial arts classes. These boys also help out in the tool room and in keeping necessary records. Much valuable experience for future positions in industry and skilled mechanical jobs is derived by the boys who belong to this organization. Officers for the 1951-52 school year have been: Robert Przybyla, president; Don Bauer, vice-president; Dan Vilims, secretary, and Roy Thompson, treasurer.

GAA Board

GAA members have not had a dull moment this year. They started the year with the annual Bonfire and Snake Dance. The organization sold football pencils, decals, and Red Devil pins, and the members compiled and published the Second Annual School Directory with the names, addresses, and telephone numbers of all HT students and teachers. Besides sponsoring all girls' sports activities throughout the year, GAA carried on the annual Christmas Caroling Party tradition, the Pop Square Hop, and a spring dance.

Continuing the Red and White Team competition in its many sports this year, GAA held "championship" games at the close of each season. The winners of these games received points towards the All Sports Trophy for their team. This year Freshmen and Juniors comprised the White Team, and the Sophomores and Seniors made up the Red Team.

Homecoming . . .

Hinsdale High's Homecoming this year was observed October 20 with the big event culminating in a double victory on the gridiron against the Arlington Heights Cardinals.

Beginning the Homecoming festivities October 19, a gala Pep Assembly was held after school in the spacious gym. The feature attraction was the introduction of the Homecoming Queen, Janet Liebrock, and her two attendants, Pat Poppenhager, Senior, and Judy Swats, Junior. That evening a huge bonfire was staged for the purpose of gaining a fighting spirit the following day.

Students started at 7 Saturday morning to prepare for the annual parade. At 10:30 twenty floats were assembled in a disheartening rainstorm. Despite the weather, the glorious affray proceeded. The Chamber of Commerce awarded prizes to the Student Council for the most outstanding float; to the art classes for the most colorful; and to the Girl Reserves for the most humorous.

Following the parade, HT students and the townspeople gathered at the athletic field to witness the double victory when the Imps won a thriller 13-6 and the unbeaten Devils rolled over Arlington Heights 56-12.

To climax the festive weekend, Pep Club sponsored the annual Homecoming Dance held in the beautifully decorated cafeteria Saturday night.

Playing the greatest football that HT students and Hinsdale townspeople have ever had the pleasure to watch, the Red Devils, unbeaten in nine consecutive games, took first place honors in the West Suburban Conference for 1951. Rated as one of the top teams in the state, these players presented All-American football from the beginning of the season to the very end.

In the opener, the Devils, playing another great team, Lake Forest, had opening game jitters and were held to a 12-12 tie. The following week, under East Rockford's lights, the Devils gave Hinsdaleans a hint of what was to follow by beating their opponents 39-13. One of the greatest victories of the season was when La Grange was defeated 20-7. Slowly gaining more momentum they beat Downers Grove 20-7 and won the Bucket for HT. After rolling over Glenbard 33-6, Homecoming was celebrated with another victory over Arlington Heights 59-12. The following game with Maine was to be the most important of the season. Playing spirited, superior football, the Devils brought home a victory 20-14 and held undisputed first place in the Conference. The following two games were a "must" for the Devils if a championship was to be won. The Devils crushed York 39-0 in a blinding snowstorm and smothered Riverside 55-6 to close a great season for Hinsdale High.

Playing outstanding football were: Art Zitzka, an All-Conference selection, and Les Konicki, voted co-honorary captain by his teammates, at the ends. At the tackles were Otis Bates, voted top lineman by the *Chicago Herald American*, and Don Smola, an All-Conference selection and member of the All-State team. At the guards were Jim Kraml, a junior playing great football, and Jim Green, an All-Conference selection. At center was Jerry Winter, a junior, who played an outstanding game every week. At quarterback was Al Maca, an All-Conference selection. At the halfback spots were Tom Skubich, voted co-honorary captain by his teammates, and George Moyers, a great runner and scorer. At the fullback post was Don Vena, an All-Conference and All-State selection as well as the top scorer in the Conference.

The members of the proud and capable coaching staff were Harvey Dickinson, Russell Poppenhager, and Walter Sherman.

The Frosh-Soph Imps played great and spirited football this year. Their record was two wins against four losses with two ties but does not reveal their brand of playing displayed before Hinsdale fans this year. Plagued with injuries, the fighting Imps played the last three-fourths of their season without half of their regulars.

In the first game with East Rockford the Imps blanked out their opponents 13-0. During the following game the Imps lost many first string stars and were beaten by La Grange, the future champions, 12-6. After playing Downers Grove to a scoreless tie and losing a hard fought game to Glenbard 13-6, the Imps came back to defeat Arlington Heights on Homecoming 13-6. Again playing spirited football the team lost two tough games to Maine 21-6 and York 19-0. In the final game the Imps battled Riverside to a 6-6 tie.

Some of the leading players were: Dick Hackenberg, Dick Pyle, Ron Bennewate, Nate Palmer, and Fred Giles. Coaches were: Clare Riessen, Russell Mccarthy, and Larry Hoff.

Cross Country . . . Wrestling

The Cross Country team had a very successful season as compared to that of past seasons. The Harriers won four meets and dropped three in the Conference. Paced by Harold Guerra, Bruce Jacob, Fred Bresnahan, and Irving Maves, the team gave good hopes of future winning teams in the coming years. Coach Neil Carter did a splendid job of coaching the HT harriers this year. He is now in the Navy.

HT's matmen had a very successful season this year. With many returning lettermen pacing the talented squad, Coach Walter Sherman established Hinsdale as one of the better squads in the state. Wrestling in meets with all of the Conference squads, as well as top teams from Elgin, Joliet, Proviso, and Morton, HT's wrestlers had one of the best records they have ever achieved. Coach Russell McCarthy assisted Coach Sherman this year.

Varsity Basketball

HT students could be proud of their scrappy, highly commendable Red Devils of the 1952 basketball season. Handicapped by a lack of height and experience, Coach Larry Hoff's squad finished in a tie for third place in the West Suburban League with eight games won and six lost.

After four tough non-conference games with Oak Park, Geneva, East Rockford, and Naperville, the hard-playing Devils began to hit their stride in the first half of the season's play in the conference. Losing four out of their first seven starts in the conference was no example of the Red Devil's brand of basketball. Determined to bring home a good standing in our tough conference, the Devils won five out of their next seven starts to round off the season in good fashion.

In the annual Christmas Holiday Tournament the Devils won the first round by trouncing Lemont, only to be downed by a powerful Crystal Lake Squad 48-45.

In the Regional Tournament the Devils ran up against the high and mighty Mustangs from Morton. Height was the major factor for Morton as our Devils fought brilliantly only to lose 42-63.

Playing great basketball all season were: Art Zitzka, center; Les Konicki, forward; Bob Hiller, guard; Frank Stanicek, guard; Fred Bresnahan, guard; George Moyers, forward.

Frosh – Soph Basketball

The Frosh-Soph squad won six and lost eight conference games during the 1951-52 season. Playing such tough non-conference teams as Oak Park, and East Rockford, the scrappy Imps showed much improvement as the season progressed. Known all over the conference for their fighting spirit, the Imps were always engaged in a close hard-fought game that would never be settled until the final second.

Playing for the Imps were such stars as: Irving Pielet, Jerry Jackson, Ron Hain, Jim Corkery, Bill Robinson, and Dick Hackenberg. Coached by Mr. Ray Clewell, the Frosh-Soph squad showed good signs of being a fine varsity squad when they are seniors.

Hinsdale's 1952 Golf team enjoyed a successful season this year. Coached by Russell Poppenhager, the team was mostly made up of sophomores. Jerry Jackson, Jim Corkery, and Bob Bither were some of the outstanding golfers.

Having almost every member of last year's varsity Conference Champs returning, HT had one of its greatest tennis seasons this year. Al Maca, Lee Waltz, and Irving Pielet along with an undefeated Frosh-Soph team of last year gave Coach Clare Riessen and Hinsdale something to be proud of.

Hinsdale's track team had a good season this year. Paced by returning lettermen, Coach McCarthy's boys worked hard and successfully for a fine track squad in 1952.

The baseball squad, coached by Walter Sherman, had a successful season with many lettermen returning. Baseball is growing in popularity and HT students may look forward to future successful years in one of the most popular of American sports.

H Club . . . CAPC

The deserving members of H-Club are the boys who earned a varsity letter in sports. This organization has sponsored many social hours after basketball games and has taken charge of handling the crowds attending the games. The lettermen have demonstrated many capabilities in carrying out these responsibilities.

The Civil Air Patrol Cadets is an organization which has achieved recognition in rifle marksmanship, radio work, and engine mechanics this year. It has expanded its study of aeronautics into a large-scale training operation. The members were provided with an airplane with radio to train in and to carry out their basic work. CAPC is under the able guidance of Coach D. Russell McCarthy.

Student Council Convention

After weeks of careful preparation, students of Hinsdale Township High School sponsored one of the most effective conventions in the history of the Northeast-Northwest District of Illinois Student Councils in Hinsdale, Saturday, November 17.

Under the direction of Student Council president, Phil Heinecke, Janet Sommers, convention secretary, and Miss Helen Hadish and Mrs. Florence Gillette, Council sponsors, the convention was a record example of teamwork and organization.

One of the high spots of the day's activities came in the afternoon when Fred Borsch, this year's local vice-president, was elected president of the NE-NW district. Fred's speech completely surpassed that of any other candidate, and he was elected by a large majority.

The purpose of the convention was to discuss and to find answers to various problems that may confront student council members. This was accomplished through panel discussions and problem clinics.

A total of 611 people took part in the convention. This total was made up of 522 delegates and 89 sponsors from 72 schools of northern Illinois. Nearly 150 Hinsdale students helped with the activities of the convention.

Freshman Class

The Freshmen may be the youngest members of HT but they are surely making the other classes sit up and take notice. This is the biggest freshman class ever to enroll in HT.

A little bewildered at the beginning of the year, as was to be expected, the Freshmen soon felt at home. After initiation week was thankfully passed by, they soon caught on to the way HT operates. Participation in many of the activities after school, a class party held early in the year, and the sponsorship of the movie, "Brave Bulls," all turned out successfully. Pictured above are 5 of the officers chosen to guide the Class of '55 through its first year. Bill Burkhardt, president, was absent the day the picture was taken. Vice-president is Pete Remidi; secretary, Bunny Clark; treasurer, Jim O'Brien; social chairmen, Pete Megelin and Linda Cornell.

Sophomore Class

The Sophomores are very active in sports, school activities, and social events around HT. Although not exceptional in football or basketball, they produced spirited, hard-fighting teams which could be counted on to give their opponents plenty of trouble. One of the high points of the year was the class party. All in all, the Class of '54 has been energetic, peppy, and full of that "get out there and do it" spirit. Next year as they start the last half of their stay in high school they will really get a chance to "keep things jumping" around HT.

Officers have been: George Caruso, president; Susan Lundy, vice-president; Ruby Bowling, secretary, Bill Cotter, treasurer; Nate Palmer and Mary Seaton, social chairmen.

The Class of 1953

The Juniors are looking forward to 1952-53 when they will be seniors, the "big shots" of HTHS. They will continue to try hard to do the things which will result in their being respected by the other classes.

To lead them through their junior year, members of the class elected some fine officers: Bruce McManus, president; Dale Busch, vice-president; Mary Boyce, secretary; Jean Dolezal, treasurer; and Richard Kay and Betsy Pridmore, social chairmen.

The Juniors have participated in many activities. They have had numerous fine parties during their high school years and put on a magnificent Prom this year to honor the Seniors. SENIOR CLASS OFFICERS

B. Bennethum, R. Effinger, A. Maca,

C. Schroeder, D. Walker, S. Witt.

It's hard to believe that these big husky senior men and charming girls were once merely underclassmen with ambitions. They now seem so at ease and capable of anything. As usual, HT has taken on a group of disorganized Freshmen and molded them into confident Seniors. The Class of 1952, just as the classes before it, is now a group that HT can be proud of in the class rooms, on the ball fields, and in social activities.

Perhaps the one thing that the Class of 1952 will be most remembered for is their ability in sports, especially football. As Sophomores, the '52ers led the Frosh-Soph football team to one of its best seasons. This year the seniors brought home the Conference Football Championship for the first time in 23 years.

The seniors elected these efficient people for their class officers: Rob Effinger, president; Bill Bennethum, vice-president; Chris Schroeder, secretary, Don Walker, treasurer; and Alan Maca and Sarah Witt, social chairmen.
